ORDER OF DISMISSAL

A Complaint in this case was filed by Complainant on January 9, 1993 and a Notice of Hearing was issued on January 26, 1993. Respondent's Answer was filed on February 26, 1993. On May 6, 1993, pursuant to 28 C.F.R. 68.14(a)(2), a Joint Motion for Dismissal and a copy of the parties' Settlement Agreement were filed.

In this case, I find that the parties have complied with the requirements of 28 C.F.R. 68.14(a)(2). Although the regulation does not require a review of the settlement agreement, such review is not precluded. In this case, I have reviewed the Settlement Agreement.

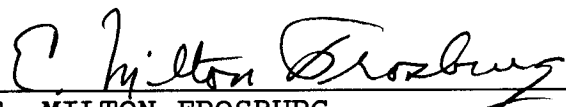

I find that based on my review of the record and the settlement agreement, there is no apparent reason to disturb the intent of the parties to terminate this proceeding. Therefore, I find it appropriate to grant the Joint Motion to Dismiss in the instant proceeding based upon the parties' notification made pursuant to 28 C.F.R. Part 68.14(a)(2).

Accordingly, I find:

1. that Respondent has waived its right for hearing on the merits;
2. that the hearing to be scheduled in Denver, Colorado is cancelled;

3. that this case is dismissed based upon the parties' settlement.

IT IS SO ORDERED this 17th day of May, 1993, at San Diego, California.
